

VSA arts of Washington Artists Registry

FREE to No Boundaries 2004-2005: *Phoenix Rising* Applicants!

Come be a part of the VSA arts of Washington Artists Registry! This is an on-line service for artists with disabilities of any age who are dedicated to their artistic growth.

For emerging artists, the **Artists Registry** will help you funnel your creative energy into taking the next step for your artistic career. The **Artists Registry** will open doors for you to the breadth of opportunities that VSA arts of Washington can make available to you. Your presence on the world-wide web will reach a global audience. For established artists, the **Artists Registry** will serve as a calling card to help build your audience in leading cultural venues through the VSA arts of Washington network.

The **Artists Registry** is the primary source for selecting artists to participate in VSA arts of Washington programs and events.

The **VSA arts of Washington Artists Registry** is also a valuable resource for professionals interested in locating talented artists with disabilities.

As an Artists Registry Member, you will:

- Have your own page on the VSA arts of Washington website at www.vsaaw.org to advertise your work, including samples of work, contact information, a biography, artists statement, headshot, and quote;
- Be first for consideration for the VSA arts of Washington annual calendar of art exhibits, performances, and education opportunities;
- Be connected to a support network of other artists with disabilities and arts/disability organizations; and
- Serve as an inspirational role model for emerging artists and the general public.
